Yes, the ALU has its own list of emails that it has created over the years, which I suspect is similar to an email list that the caucus has. Michelle is refusing to return access to it to the union. It appears she shared it with Sultana, and Sultana used it to send out a flyer on the proposed walk out and attached to that was a youtube video from Michelle. Do you know if Michelle has a lawyer? She has been acting contrary to her duties as a member and putting herself in a position to be disqualified from running for an officer position when there is an election. I would like to talk to her lawyer about this if she has one.

I am working with my clients on providing you a red line of your proposed consent decree. Hope to get back to you soon.
Do you have suggested names for a neutral monitor?

Not sure what ALU email use means.
Do you mean a list of ALU contacts?
Can you forward what was sent?

Meam while, please get your revision of
our written agreement to me so I can
waive it at everyone. You have had it
for a week. Attached again

Dear Arthur,

This morning one of the plaintiffs, Ms. Sultana Hossain sent an email using the ALU email. She sent along a video from Michelle which shows that she and Michelle are sharing the ALU emails.

Michelle has refused to turn over the passwords for the ALU emails, Twitter facebook and the you tube channel.

As you are no longer Michelle's lawyer we are not asking you to talk to her but to Ms. Hossain regarding her interactions with Michelle and use of emails which she has no entitlement to. use the ALU email.

Please take steps to ensure that Ms. Hossain does not use ALU emails from this point forward.
